CIA/RR GB 65-3
14 January 1965

MEMORANDUM FOR: Chief, Military-Economic Research, ORR

SUBJECT : KEYHOLE Coverage of the Soviet Rail Network
through 22 October 1964

25X1A

1. At the request of [] the statistics on effective coverage of the Soviet rail network by KH-4 photography have been updated through Mission 1012-2 (21-22 October 1964). The updated statistics on effective coverage are attached; they constitute a revised version of Table 1 of reports CIA/RR GS 64-9, "KEYHOLE Coverage of the Soviet Rail Network through December 1963" [] 23 March 1964) and CIA/RR GB 64-35 "KEYHOLE Coverage of the Soviet Rail Network through 17 July 1964" [] 30 September 1964).
